**DEAR SOUTH END RESIDENTS,**

The City of Burlington Department of Public Works will be bringing the proposed South End Construction Coordination Plan (SECCP) including an approach to phase the Champlain Parkway construction, to the City Council on September 13<sup>th</sup>, 2021.

The SECCP is a plan to carefully coordinate and phase the numerous large construction projects in the South End over the next few years and will limit the impacts on Burlington residents and businesses. A major part of the plan is to construct the Champlain Parkway into two phases under two separate contracts.

**BURLINGTON SOUTH END PROJECT SEQUENCE**

Project/Segment	2021	2022	2023	2024	2025	2026	2027
I-189 Ramps Class 1 Paving	CONSTRUCTION						
US 2, US 7 & US 7 Alt Class 1 Paving		CONSTRUCTION					
Railroad Upgrade Projects		CONSTRUCTION					
Shelburne Street Roundabout		CONSTRUCTION					
Champlain Parkway Home Ave to Lakeside Ave (C2) & C1 Path		CONSTRUCTION					
Champlain Parkway Lakeside Avenue	PERMITTING & DESIGN		CONSTRUCTION				
Champlain Parkway Pine Street from Lakeside Ave to Kilburn St	PERMITTING & DESIGN			CONSTRUCTION			
Main Street - Great Streets (Battery to Union)		DESIGN		CONSTRUCTION			
Railyard Enterprise Project		NEPA, DESIGN, PERMITTING & ROW				CONSTRUCTION	
Champlain Parkway I-189 to Home Ave (C1)				PERMITTING & DESIGN		CONSTRUCTION	
Champlain Parkway Pine Street from Kilburn St to Main St							CONSTRUCTION

**Benefits of the two phased approach to Champlain Parkway under the SECCP:**

- Minimizing construction impacts through strategic coordination
- Achieving many parkway benefits promptly
  - New stormwater improvements
  - New shared use paths
  - New midblock crosswalk at Pine St & Arts Riot
- Provides a way to get South End infrastructure in place prior to opening the I-189 connection
- The City Council has control to authorize the second parkway construction contract when they feel it is the appropriate time.
