

# TRANSIT ACCOMMODATIONS

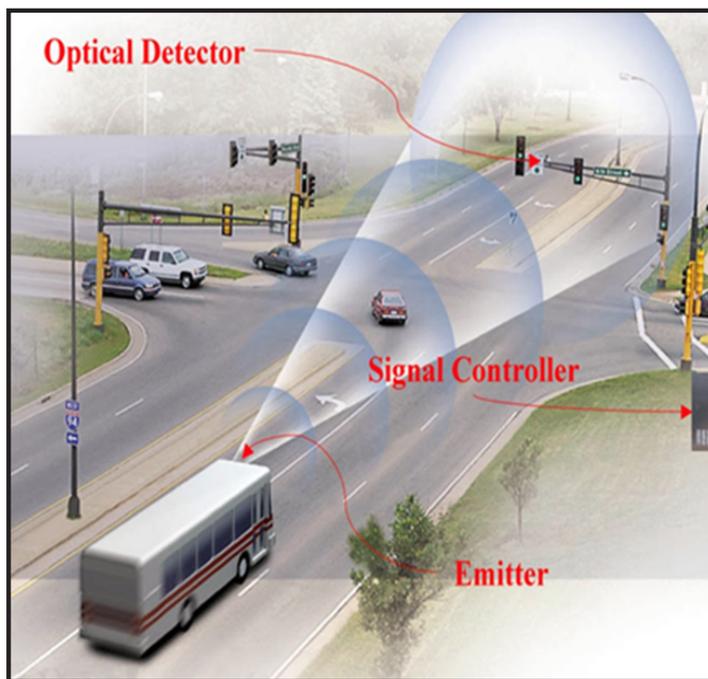

The Champlain Parkway will improve transit access within the study area. New bus shelters will improve the safety and comfort of riders. All new and updated traffic signals will include transit signal priority which allows buses to move through the area without waiting at traffic lights.

*The Champlain Parkway will include new bus shelters to improve transit riders' experience.*

In the **MAPLE AND KING STREET NEIGHBORHOOD**, there will be new traffic signals at the intersections of Pine Street with King Street and Maple Street. The signal at Pine Street and Main Street will be upgraded. All three signals will include transit signal priority.
