

Champlain Parkway Project Abutter Meeting POSTPONED

The Champlain Parkway Project has postponed the Lakeside Avenue and Pine Street Project Abutters Meeting scheduled for Thursday, July 13, from 6-8 pm due to severe inclement weather. This meeting will be rescheduled! *Supplemental information will follow.*

Crews will continue to work on utility installation and roadway reconstruction on Lakeside between the railroad tracks & at its intersection with Pine under full closure. Work along Pine between Kilburn St & Lakeside west of Pine has been postponed until the beginning of August. Crews will begin preparatory work for the roadway rehabilitation and shared-use path along Pine anticipated to start in mid-August.
